ASSUMPTION OF RISKS

Physical activity, by its very nature, carries with it certain dangers and risks that cannot be eliminated regardless of the care taken to avoid injuries. BGC has facilities for various sport specific and related activities such as strength training and running. Some of these activities involve strenuous exertions of strength using various muscle groups, some involve quick movements involving speed and change of direction, some involve contact with equipment, other participants (including participants that are older or younger and who may be larger or smaller (in terms of weight and height) than Participant), and various surfaces (which may be uneven), and others involve sustained physical activity which places stress on the cardiovascular system. Participant will also be exposed to risks while traveling and participating in various activities. The specific risks vary from one activity to another, but in each activity the risks range from (1) minor injuries such as scratches, cuts, bruises, and sprains to (2) major injuries such as loss of sight, loss of teeth, broken bones, joint or back injuries, concussions, and heart attacks to (3) catastrophic injuries including paralysis and death. I also understand that the Participant may expose others, or may be exposed, to contagious disease such as influenza, chicken pox or measles. Participant and Parent/ Guardian have read the previous paragraphs and (1) understand the nature of

the activities at the Junior Development Program, (2) understand the demands of those activities relative to the physical condition and skill level of Participant, and (3) appreciate the types of illnesses and injuries which may occur as a result of activities made possible by the Junior Development Program. Participant and Parent/ Guardian hereby assert that participation is voluntary and that Participant and Parent/ Guardian knowingly assume all such risks. Acknowledgement of Rules and Standards of Conduct: I understand that the Junior

Development Program has rules and standards of conduct that are set forth in the Student Rules. I agree to abide by these rules and standards for the safety of Participants, the staff, and the other participants.

ACKNOWLEDGMENT OF ASSUMPTION OF RISK FOR PARTICIPATION IN FITNESS AND RECREATIONAL ACTIVITIES: I, the undersigned, realize that participation in any activity involves risks of injury and or abnormal responses, including but not limited to soft tissue or muscle strains/ sprains, heat stress, head and spine and related musculoskeletal trauma, abnormal blood pressure, fainting, chest discomfort, heart attack, or even death. I also recognize that there are many other risks of injury, including serious disabling injuries, that may arise due to participation in any activity and that it is not possible to specifically list each and every individual injury risk. However, knowing the material risks and knowing and reasonably anticipating that other injuries and even death are a possibility, on behalf of the minor child listed above, I hereby assume all the delineated risks of injury, all other possible risk of injury, and even risk of death, which could occur, by reason of my minor child's participation. I had the opportunity to ask questions and obtain legal counsel. Any questions I expressly have asked have been answered to my satisfaction. I understand the risks of my participation in any activity, and knowing and appreciating these risks, I voluntarily choose to allow my minor child to participate, assuming all risks of injury or even death due to my participation.
